

Tripura TET Paper I Syllabus Classes 1 to 5

Teachers' Recruitment Board, Tripura — Teacher Eligibility Test (T-TET) · Section-wise syllabus and exam pattern

QUESTIONS	MARKS	TIME	NEGATIVE	EXAM DATE
150 MCQ	150	2 h 30 min	None	20 Dec 2026

T-TET 2026 Paper I (tentative): 20 Dec 2026, 12:00 noon to 2:30 PM.

Exam pattern

SECTION	QUESTIONS	MARKS
Child Development & Pedagogy	30	30
Language I (English)	30	30
Language II (Bengali or Kokborok)	30	30
Mathematics	30	30
Environmental Studies	30	30
Total	150	150

Five compulsory sections of 30 questions each. In the 2024 test the paper ran from 12:00 noon to 2:30 PM. Question papers are in English and Bengali, except the language papers.

Section-wise syllabus

Child Development & Pedagogy

30 marks

Child development and learning: growth and maturation, heredity and environment, socialisation, domains of development, theories of Piaget, Kohlberg, Chomsky, Vygotsky and Rogers, individual differences, theories of intelligence, gender and education, mental health, assessment for and of learning, CCE. Inclusive education: children with special needs, learning disability, gifted and specially abled learners. Learning and pedagogy: how children think and learn, errors as steps in learning, cognition and emotion, motivation, classroom management, punishment and rights of the child, guidance and counselling.

Language I (English)

30 marks

Comprehension: two passages, one prose and one poetry, with questions on comprehension, inference, grammar and vocabulary. Grammar: determiners, subject-verb concord, interrogatives, question tags, prepositions, tense and time, phrasal verbs, gerunds and participles, auxiliary verbs. Pedagogy: language learning and acquisition, principles of teaching, role of grammar, language difficulties and errors, phonology, LSRW skills, teaching materials, CWSN, remedial teaching.

Language II (Bengali or Kokborok)

30 marks

Comprehension and grammar of the language you choose, literature (Bengali), and pedagogy of language teaching: how a language is learnt, listening, speaking, reading and writing skills, evaluation, remedial teaching and lesson planning. The official PDF lists the exact items in Bengali and Kokborok.

Mathematics

30 marks

Geometry: angles, lines, axis, reflection and symmetry, shapes and solids, perimeter and area, surface area and volume. Measurement: length, weight, time, capacity. Numbers: natural numbers, place value, factors and multiples, prime factors, LCM and HCF, decimals. Arithmetic: unitary method, ratio, proportion, percentage, average, profit and loss. Fractions, time, data handling, patterns, money. Pedagogy: language of mathematics, methods of teaching, TLM, CCE, error analysis, diagnostic and remedial teaching.

Environmental Studies

30 marks

Family and friends, work and play, plants and animals, food and nutrition, health and hygiene, shelters, travel, water, air, soil, energy, environmental characteristics of Tripura (location, climate, crops, rivers, hills, plants and animals, reserve forests, sanctuaries) and environmental protection. Pedagogy: scope of environmental studies, integrated approach, CCE, teaching aids.

Keep in mind

No negative marking

Every question carries one mark. A wrong or blank answer scores zero, so attempt every question.

Choose language and subject carefully

Language II (Bengali or Kokborok) and, for Paper II, the subject (Mathematics & Science or Social Studies) cannot be changed after you apply.

Apply separately for each paper

If you want to teach both levels you apply for Paper I and Paper II separately, pay the fee for each and sit both papers.

T-TET is not a job

Passing gives a certificate that is one eligibility condition. You apply again when TRBT advertises teacher posts.

PRACTISE FREE ON MOCKBLAST

Syllabus done. Now test yourself.

MockBlast gives you exam-style tests with a timer, instant score and a full solution for every question. Built for Tripura and all-India government exams.
