

Tripura TET Paper II Syllabus Classes 6 to 8

Teachers' Recruitment Board, Tripura — Teacher Eligibility Test (T-TET) · Section-wise syllabus and exam pattern

QUESTIONS	MARKS	TIME	NEGATIVE	EXAM DATE
150 MCQ	150	2 h 30 min	None	3 Jan 2027

T-TET 2026 Paper II (tentative): 3 Jan 2027, 12:00 noon to 2:30 PM.

Exam pattern

SECTION	QUESTIONS	MARKS
Child Development & Pedagogy	30	30
Language I (English)	30	30
Language II (Bengali or Kokborok)	30	30
Mathematics & Science, or Social Studies	60	60
Total	150	150

Mathematics & Science teachers take the 60-question Mathematics and Science section; Social Studies teachers take Social Studies; other teachers take either. You choose the language and the subject while applying and cannot change them later.

Section-wise syllabus

Child Development & Pedagogy

30 marks

Child development (elementary school child): stages of development, heredity and environment, socialisation, theories of Piaget, Kohlberg and Vygotsky, child-centred education, intelligence and IQ, language and thought, gender, individual differences, assessment and CCE. Inclusive education and children with special needs. Learning and pedagogy: cognition, emotion and emotional intelligence, motivation, theories of learning (Pavlov, Thorndike, Skinner), personality and adjustment.

Language I (English)

30 marks

Comprehension: one prose or drama passage and one poetry passage. Grammar: concord, question tags, prepositions, tense and time, determiners, phrasal verbs, gerunds, error identification, modals, degree of comparison, transformation of sentences. Pedagogy of language development, phonology (IPA), LSRW skills, ICT in teaching, evaluation, remedial teaching.

Language II (Bengali or Kokborok)

30 marks

Comprehension, grammar and language use, literature (Bengali), and pedagogy of language teaching, including lesson planning. The official PDF lists the exact items in Bengali and Kokborok.

Mathematics (for Mathematics & Science teachers)

30 marks

Number system, algebra (identities, linear equations, factorisation, exponents), arithmetic (squares and roots, ratio, percentage, profit and loss, simple and compound interest), geometry (lines, angles, triangles, quadrilaterals, construction), mensuration, data handling. Pedagogy of mathematics.

Science (for Mathematics & Science teachers)

30 marks

Food and nutrition, microorganisms, circulation, ecosystem and natural resources, agriculture, pollution, motion, force and pressure, heat, sound, electricity and magnetism, optics, solar system, metals and non-metals. Pedagogy of science.

Social Studies (for Social Studies teachers)

60 marks

Geography (15): the earth, rocks, atmosphere, hydrosphere, resources, agriculture, industry, pollution, hazards, India and Tripura's forest, mineral and power resources. History (15): early civilisations to India after independence, including the tribal society and festivals of Tripura. Social and political life (15): diversity, human rights, democracy, the Constitution, local self-government in Tripura. Pedagogical issues in social studies (15).

Keep in mind

No negative marking

Every question carries one mark. A wrong or blank answer scores zero, so attempt every question.

Choose language and subject carefully

Language II (Bengali or Kokborok) and, for Paper II, the subject (Mathematics & Science or Social Studies) cannot be changed after you apply.

Apply separately for each paper

If you want to teach both levels you apply for Paper I and Paper II separately, pay the fee for each and sit both papers.

T-TET is not a job

Passing gives a certificate that is one eligibility condition. You apply again when TRBT advertises teacher posts.

PRACTISE FREE ON MOCKBLAST

Syllabus done. Now test yourself.

MockBlast gives you exam-style tests with a timer, instant score and a full solution for every question. Built for Tripura and all-India government exams.
